

PANGAEA FARMS

BREEDING CONTRACT FOR FRESH SEMEN

This is to certify that _____

(Mare Owner's Name)

Address _____

Home Tel: _____ Fax-Office Tel: _____

E-Mail: _____ Web Site: _____

has engaged for the FEE of \$2000.00 CDN for Fresh Cooled Semen by the Hanoverian Stallion HARVARD during the 2012 breeding season for:

Mare: _____

Mare's Breed: _____ Registration Number _____

Date of Birth: _____ Sire: _____

Dam: _____ Dam-Sire: _____

Mare's present status: In foal ___ Maiden ___ Not bred last year ___ Barren ___

This service is subject to the following conditions:

1. Booking Fee: A \$400.00 non-refundable booking fee must be paid to David Burke or PANGAEA FARMS when the Mare Owner returns this contract. The Booking Fee is part of and included in the overall Stud Fee for Harvard. This Stud Fee also includes up to two free collections of live semen for the duration of the contract. A copy of the Mare's registration papers must be sent with the contract, for the Mare to be included in any breeding reports of Mares bred to the above-named Stallion. Photographs of mares are also appreciated.
2. Balance of Stud Fees: Are due and payable before the first shipment of semen will be shipped to the mare owner or agent. Stud Fee is payable to David Burke or Pangaea Farms.
3. Mare-Specific: The transported semen may be used only for the Mare designated on this contract, and all excess semen must be destroyed. Should the semen be used on any other mare than the one so designated on this contract without the express written permission of David Burke then this contract becomes null and void and no monies will be refunded. Foals may not be registered.
4. The Mare Owner or Agent agrees to confirm the mare's pregnancy 14-18 days post ovulation, reconfirm pregnancy 40-45 days post ovulation and reporting all findings to Pangaea Farms.

5. If the mare does not conceive, or if at any time the mare is determined to be unfit to breed; the mare owner may substitute another mare upon Pangaea Farms approval.
6. Live Foal Guarantee: A Live Foal is one which stands and nurses within 48 hours of foaling. In the event of the death of the foal, a Veterinary Certificate must be provided to the Stallion owner within 10 days. Immediate notification must be made to Pangaea Farms by verbal communication, e-mail or fax. If there is a failure to do so, the live foal guarantee provided will herein become null and void.
7. Should the above Stallion die, become unfit for service, or be sold; to fulfil this contract you will be shipped frozen semen of the Stallion. You may also elect to use fresh cooled semen of any other Pangaea Farms Stallion. If Stud fees differ the additional will be billed or refunded as the situation dictates.
8. The mare owner understands that David Burke or Pangaea Farms reserves the right to refuse any contract for breeding at its own discretion. The Mare Owner also understands that this contract is non-assignable without the express written consent of David Burke or Pangaea Farms.
9. The Parties agree the Mare Owner will assume all responsibility for the condition of the Mare and will bear all risk of loss or damage to the mare whether by death, disease, injury, infection, or otherwise and by any cause whatsoever, and therefore agree to hold Pangaea Farms or any person employed or associated with Pangaea Farms harmless for any and all damages associated therewith. The Mare Owner will not be responsible or liable for any accident, disease or injury to the above-named Stallion.
10. In the event of emergency, if a Veterinarian or Farrier is required for the Mare or her Foal, services of the same will be provided by personnel used by Pangaea Farms and will be at the mare owner's expense. All bills regarding above will be billed directly to the Mare Owner. Every effort will be made to contact the Mare Owner prior to any services being provided but failing to reach the Mare Owner services will be contracted at the discretion of David Burke or Pangaea Farms.
11. Mare care is billed at \$20.00 per day Dry Mare and \$25.00 per day Wet Mare (a Mare with a foal at side).
12. Breeding season will be from March 15th till July 30th, unless other arrangements are made with David Burke or Pangaea Farms.
13. The length of term for this breeding contract will be for a period of two years from the original date of the contract.
14. Semen will be collected and shipped as soon as possible, following the request from the Mare Owner or Agent. Please note it is highly recommended to make requests for semen before 9:00 AM Eastern Standard Time to be able to ship via Fed Ex that same day. If not, there an additional charge to deliver the shipment to the Fed Ex Office may be applied. Fed Ex

Customers must have their own existing accounts and need to supply this information when requesting semen along with the exact delivery address, Postal/Zip Codes and telephone number.

15. Contract Execution: This contract is in duplicate. The Mare Owner or Agent must sign both copies and return them to David Burke. When signed by David Burke it will become a binding contract on both parties, subject to all the above terms and conditions.
